Fire & Evacuation/Emergency Procedures

If you hear the fire alarm sound please immediately evacuate the building. Do not re-enter the building until you have been instructed that it is safe to do so by the designated Facility Supervisor, Fire Exit Supervisor or Fire Warden.

There are designated Fire Wardens who will assist in evacuating the building. If they ask you to leave at any time please do so. Additionally there are designated Fire Exit Supervisors that are stationed at all entrances to prevent anyone from re-entering the building until it is safe to do so. Please respect and adhere to their instruction.

Security

We have a security guard on site 24/7. In the event that you require assistance or would like an escort to your vehicle please feel free to contact Security, located at our front desk reception area by calling **extension 7777**.
